

The Backyard

Name: _____

Parents: Help your child with the opportunity to identify these items in your backyard after watching John's ASL story. Your child has an opportunity to write, draw/ colour below.

Many things are found in a backyard.

The worksheet features a central rectangular box containing the text "Many things are found in a backyard." This box is connected by lines to four large, empty circles arranged in a square pattern around it. The top-left circle is accompanied by a small illustration of a bird. The top-right circle is accompanied by a small illustration of a bee. The bottom-left circle is accompanied by two small illustrations of flowers. The bottom-right circle is accompanied by a small illustration of a dog's head.
