

INTRODUCTORY WEBINAR:

Supporting Students who are Deaf and Hard of Hearing

Facilitated by Tamara Lister, RSLP and POPDHH Consultant

**Six consecutive Wednesdays:
3:00 pm to 4:30 pm; Dates TBD**

**Offered once per term across the province,
or to school teams on request (min 3 participants)**

In this FREE workshop educators will learn how to maximize their students' participation in the classroom through interactive activities. Topics include: the human auditory system, listening devices and wireless technologies, educational adaptations, communication strategies, other provincial resources.

Please register [here](#) if you are interested or contact office@popdhh.ca for more info!
